"Philosophy of Religion A-Z" provides an overview of the main themes, key figures, and issues in the subject. Both topical and historical, it examines key concepts from the Absolute and the Afterlife to World Religions and Yoga, as well as thinkers from Abraham to Wittgenstein. The relationship between philosophy and theology is examined as is that between religion, faith and belief. This reference guide will be useful for anyone interested in the philosophy of religion in philosophy and theology as well as in anthropology, cultural and religious studies, mythology, and the psychology and sociology of religion.
