It was a Japanese victory-but it spelled the end for Japan in the war at sea. In Carrier

Strike, critically acclaimed military historian Eric Hammel gives a blow-by-blow, edge-of-your-seat account of this crucial naval battle-a turning point in the bitter Guadalcanal Campaign. Drawing on American and Japanese battle reports and the recollections of aviators and seamen who were there, Hammel recreates World War II's fourth - and last - carrier versus carrier battle, the battle of the Santa Cruz Islands in October 1942. Written in the heart-stopping style that Hammel's readers have come to expect, Carrier Strike offers the only up-to-date, up-close, in-depth look at the battle that cost Japan any hope of winning the war in the Pacific.
