This Definitive Edition features the first 11 issues (as well as the "2007 Free Comic Book Day" story) of Dynamite's critically acclaimed "Lone Ranger" series by Brett Matthews, Sergio Cariello, and John Cassaday! In "Now and Forever" (issues numbered 1-6), the complete story of how John Reid was transformed into "The Lone Ranger", and, along with his partner Tonto, set a new standard of justice in the Old West is revealed! In "Lines Not Crossed" (issues numbered 7-11), the thrilling adventures of "The Lone Ranger and Tonto" continue as the masked man and his Indian companion find themselves caught between frontier justice and a condemned man...all while continuing to make things difficult for Cavendish, who's becoming more unhinged by the actions of this 'lone' ranger! This title includes a complete cover gallery, unseen art, and more!
