著者:Sebastiano Serlio

出版者:Yale University Press, New Haven & London

出版时间:2009-9-4

装帧:Paperback

isbn:9780300113051

Sebastiano Serlio introduced the principles of classical design to northern Europe and was the most important architectural writer and theorist of the sixteenth century.

However, his writings have been inaccessible to English language readers until now. This distinguished translation of Serlio's treatise, complete with his beautiful woodcut illustrations, replaces the only other English version--an inaccurate translation from Dutch produced in 1611.
