isbn:9780802714985

From the sixth through the sixteenth centuries, the faiths of Islam and Christianity contended for primacy in the Mediterranean world. At times acrimonious, at other times harmonious, the encounter between the two creeds in the Middle Ages provides a backdrop to much of what informs, and misinforms, public opinion on present-day conflicts. Recounting seven major battles encircling the Mediterranean--Yarmuk, Poitiers, Manzikert, Hattin, Las Navas de Tolosa, Constantinople, and Malta--Stephen O'Shea shines vital new light on the distant past while offering invaluable perspective on the two faiths' ongoing contest for spiritual and political primacy.
