Young children possess a remarkable ability to learn new languages, and learning as a family can be a fun bonding experience. Developed by language experts and perfect for 4-8 year-olds, this series provides easy, fun, and effective language games which can be played in the car or at home. And because no previous knowledge of the language is required, parents and children can master the basics of Spanish while enjoying quality time together.

Package includes:

- Three 48-page activity books
- Three 60 minute audio CDs
- Guide for parents and teachers
- Three sticker sheets
- Crayons
