My Pregnancy Journal is a beautiful book designed to help expecting mothers celebrate and reflect on the exciting journey of pregnancy. It provides space to record special events and memories and store keepsakes gathered during this very special time. This elegant, functional journal actually consists of two fantastic products. First, it includes more than 100 guided pages for everything related to the pregnancy, from the moment a couple first decides to have a child, to bringing the baby home. It includes placeholders for photographs, shower invitations, and announcements. This book also

includes a special front-cover window where a personal photo can be placed.
