Teen authors The Beatty Brothers offer an account of common financial insecurities in

their inspirational how-to, Pulling Weeds to Picking Stocks. Heeding their parents advice, David, Devin, and Deric Beatty have spent their childhood and adolescent years pulling weeds for extra cash, preparing and presenting marketing strategies, picking stocks, and investing in their future. Pulling Weeds to Picking Stocks includes their easy-to-follow tips for being rich at fifteen, thirteen, and seven, such as budget worksheets, work ethics, asset liability evaluation, and tithing. No matter what age, you can follow these practical guidelines to make cents of the change in your life.
