The heart and soul of wild, wonderful West Virginia, the mighty Monongahela National Forest is within a day's drive of one-third of the population of the United States. The best way to see and experience the stately forests and pristine waterfalls is by foot. Completely updated with five new hikes and a new design, Day and Overnight Hikes: West Virginia's Monongahela National Forest will guide visitors the entire way while exploring this national treasure. Picking the best of the best from the amazing trail system within the forest's 900,000 acres is no easy task, but outdoor guru Johnny Molloy has answered the call with this new edition of his classic guide.
