In his extraordinary new audiobook, Terrence Real, distinguished therapist and bestselling author, presents a long overdue message that women need to hear: You aren't crazy—you're right!

Women have changed in the last twenty-five years—they have become powerful, independent, self-confident, and happy. Yet many men remain irresponsible and emotionally detached. They don't know how to respond to frustrated partners who just want their mates to show up and grow up.

Enter the good news: In this revolutionary audiobook, Real offers women a set of effective tools with which they can create the truly intimate relationship that they desire and deserve. He guides you through the process of relationship repair with exercises that you can do alone or with your partner.

We have never wanted so much from our relationships as we do today. More than any other generation, we yearn for our mates to be lifelong friends and lovers. The New Rules of Marriage shows us how to fulfill this courageous and uncompromising new vision.
