Join Nicholas on an exciting bilingual adventure! Grandma's birthday party is coming up! Nicholas, his sister and brother want to make this Grandma's best birthday ever, but can they think of a plan before it's too late? Follow the story in English and Italian for children aged 4 years and above. Sing along with entertaining and memorable songs. The accompanying 60 minute audio CD allows kids and parents to listen along as native speakers read the story with wonderful sound effects and the picture dictionary and word list reinforce vocabulary and help increase retention.
