Written to match the latest specifications (September 2006), A+ for Students: Essentials

is the first UK text aimed specifically at students who are working towards the mandatory part of the A+ online multiple-choice exams. Assuming no prior knowledge, this text introduces subjects in a clear but non-patronising fashion and focuses on the knowledge and skills that the online exams will test. A range of exercises, clear explanations and diagrams will aid the student, along with free multiple choice practice questions available on www.aplusforstudents.co.uk This text is suitable for students taking the OCR or City & Guilds units associated with A+, as well as those studying it as a standalone qualification.
