Religion, Mark C. Taylor argues in "After God", is more complicated than either its defenders or critics think and, indeed, is much more influential than any of us realize. Our world, Taylor maintains, is shaped by religion even when it is least obvious. Faith and value, he insists, are unavoidable and inextricably interrelated for believers and nonbelievers alike. The first comprehensive theology of culture since the pioneering work of Paul Tillich, "After God" redefines religion for our contemporary age. This volume is a radical reconceptualization of religion and Taylor's most path breaking work yet, bringing together various strands of theological argument and cultural analysis four decades in the making.

作者介绍:

目录: Introduction

1. Theorizing Religion

Religion Visible and Invisible

Against Theory

好书 值得一读 虽然按照大多数学术书籍的惯例 烂尾了 （其实我不懂的是为什么有时候连文选都能烂尾。。）
