The latest in the GameMastery line of Flip-Mats, Flip-Mat: Keep features a small fortress with a courtyard, stables, well, barracks, and battlements. The map also features numerous interior chambers, such as the throne room, war room, and grand entry hall, all of which make for perfect adventure sites. The flip-side features broken terrain that might lead up to the keep. GameMastery Flip-Mats are designed to make your game portable and affordable. They're crafted of durable, laminated card stock and can handle dry erase, wet erase, and even permanent marker. (Permanent marker is erasable on a Flip-Mat )
