Lacy Fields is the wife of a prominent Beverly Hills plastic surgeon, a dedicated mother of three, and an absolutely fabulous decorator to the stars. But when her husband is

accused of murdering a young wannabe actress, Lacy finds out she has a killer instinct for hunting down murderers as well as antique furniture. Cleverly marrying the day-to-day foibles of family life with delicious insider glamour, Looks to Die For takes readers behind the scenes of a fashionable world of gossip, name-dropping, and murder.
