Bailey Wingatea (TM)s scheming adult stepchildren are surprised when their fathera (TM)s will leaves Bailey in control of their fortune, and war ensues. A year later, while flying from Seattle to Denver in a small plane, Bailey nearly dies herself when the engine sputters - and then fails. Cam Justice, her sexy Texan pilot, manages to crash-land the aircraft. Stranded in the wilderness, and struggling to douse her feelings for the ruggedly handsome man by her side, Bailey begins to wonder whether this was a mere accident. Sure enough, upon her return to civilization, Bailey (TM)s suspicions mount: Who tampered with their plane? Whoa (TM)s trying to reunite Bailey and her husband in the afterlife? Trusting her life - and heart - to Cam, Bailey must outwit a killer who will stop at nothing to finish the job.
