Finally..a book that genuinely celebrates a young child joining their forever family past infancy. With its touching message of love and reassurance, and whimsical illustrations, Welcome Home, Forever Child is sure to be cherished by children and parents alike. While best suited to children ages two to eight, this gem will undoubtedly be enjoyed by older children as well. Most children's adoption books reflect infant adoptions, and may not be appropriate for the older child who spent their early years in foster care or an orphanage. Welcome Home, Forever Child is a much needed book that social workers and therapists will want to recommend to families who adopted their child past the age of two. The book helps parents reassure

children of their permanent place in the new family, and of how much they are wanted and loved. It will also make a very special and meaningful keepsake gift for a child upon joining his or her new family, upon finalizing the adoption, or upon the anniversary of either event.
