Comprehensive bi-lingual anthology of the poems of Guillevic timed to coincide with the festivities in France to celebrate the 100th anniversary of his birth. Translated into some 50 languages in over 60 countries, Guillevic remains one of the most popular poets of Europe inspiring songs, artists, (over 100 of the worlds most prominent artists have illustrated his works) and poetry lovers everywhere. Despite his wide acclaim English language editions of his work are difficult to find and often poorly translated. This edition sets a new standard for English language renditions of his poetry.
