Rhapsody Quilts are medallion-style quilts with graceful curved designs in a reversed and mirrored arrangement. Like a musical rhapsody, the form is flexible and lets the creator express an endless variety of themes and motifs. This fantastic volume

provides readers with all the skills and techniques they need to design their very own Rhapsody Quilt. Starting with 5 ready-made outlines, readers will master how to choose fabrics, make templates, and easily incorporate precision curves into their designs, after which the sky's the limit with only your imagination to hold you back!
