

# Literature and the Law

[Literature and the Law\\_ 下载链接1](#)

著者:Morawetz, Thomas

出版者:

出版时间:2007-6

装帧:

isbn:9780735562806

The accessibility and adaptability of this text will make it a new classroom favorite for

you and your students: - engaging discussion questions following each story prompt  
instructors and students alike to explore a wide range of topics: professional ethics,  
justice, the lives of lawyers, the role of lawyers, the legal system, the psychology of  
lawyering, philosophy, and more- an extensive, annotated list of complementary  
readings at the end of each chapter offers teachers and students a rich and varied  
choice beyond the selected texts- an adaptable format makes it suitable for a wide  
variety of teaching schemes and literary tastes -- it reinforces the strengths that  
teachers bring to the subject while filling in background information and offering texts  
for those areas with which they are less familiar, making it an ideal complement to  
their current teaching materials- a thoroughly detailed Teacher's Manual discusses  
various approaches to each chapter and includes author reflections based on more  
than 20 years of classroom experience
