出版者:Nilgiri Press

出版时间:2007-9

装帧:

isbn:9781586380229

These classic teachings comprise the most important and universal texts from the Indian wisdom tradition. They pose the fundamental questions of life pondered throughout the ages: Who am I? What happens when I die? What is the purpose of my life? Each text offers compelling answers, reflecting the style and personality of their Vedic and Buddhist authors. Eknath Easwaran's lyrical translations and engaging explanations of key concepts ensure that the texts are as relevant today as they were centuries ago.
