A protege of fellow singer/songwriter/surfer Jack Johnson, Frankenreiter released his eponymous debut on his mentor's Brushfire label, and the All Music Guide called it "a

fine debut full of friendliness and low-key charm." Here are all 13 songs in notes and tab: Bend in the Road * Butterfly * Call Me Papa * Day Dreamer * Free * Heading Home * It Don't Matter * Make You Mine * On My Mind * Our Love * So Far Away * Swing on Down * and What'cha Know About, plus a bio/intro.
