Sports studies is one of the fastest growing fields in higher education today. The SAGE

Dictionary of Sports Studies brings a timely, much-needed, and comprehensive tool for all students in this multi-disciplinary field. Each entry provides a basic definition, a guide to research themes, and a clear account of the relevance of the concept in understanding sport. Not only indispensable for quick clarification of terms, it will give students a springboard for more in-depth research and critical analysis. Covering sociology, history, psychology, politics, business, physical education, health and research methods, The SAGE Dictionary of Sports Studies provides the first one-stop reference guide for all students who study the social aspects of sport.
