The International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of decisions of international courts and arbitrators as well as judgments of national courts. Volume 132 reports on, amongst others, the 2007 Partial Award in Eurotunnel arbitration, the Bermudan Court of Appeal case on treaties (Braswell) and the UK House of Lords judgments in joined appeals in Jones (Margaret) and Ayliffe together with the lower court decisions.
