Who will be the first player to get rid of the dangerous eggs of the Rattlesnakes? Rattlesnake is an easy, fun game for kids of all ages, which will challenge your strategy and dexterity. Players will compete to be the first to place on the boards of all their snake eggs, but these funny magnetic eggs will clash if you make the wrong move, and then you will have to pick them all. The first game created by Nexus for family entertainment, Rattlesnake will be a sure hit with parents and younger players, as well.

as with seasoned gamers looking for a fresh, quick dexterity game.
