An old-fashioned undertaker who asks for lessons in what turns a woman on, what more could any teacher ask for? When circumstances force kindergarten teacher Melissa Morgan to take her twin sister's place as proprietor of a dating agency, the last thing she expects is to meet a funeral director in desperate need of lessons in what a woman wants. Despite his quirky behavior and antiquated ideas, Matthew Campbell pushes every one of Melissa's buttons and it's not long before the lessons become more important than finding Matthew a mate. But how will Melissa react when she finds out Matthew is an undercover federal agent in pursuit of a blackmailer and she's the prime suspect? Warning: This title contains the following: Wahoo Sex and Wash-Your-Mouth Language (Explicit Sex and Graphic Language)
