isbn:9781573402842

The Atlas of Clinical Hematology features world-renowned authors from a variety of

medical disciplines. It describes the exciting advances occurring in hematology and presents them in an attractive and useable way using. The Atlas includes hundreds of high quality images in step with the latest developments. An in-depth explanation is provided for each image. Of all the areas of medicine, hematology is perhaps the one most amenable to presentation in an Atlas such as this.
