Just how many elephants can a spider's web hold? It's certainly not built for bouncing! Add another elephant as you turn each page to find out the answer. Ingenious die-cut holes in each page introduce early counting skills, using one of the few nursery rhymes to involve counting in ones. Bouncy illustrations, innovative die cutting and popular rhymes make Books with Holes a must for every child. Available in three formats, suitable for babies, toddlers, pre-schoolers and the nursery or classroom.
