Sixteen fabulous felted wool projects from traditional to contemporary \* Small, portable projects can travel anywhere \* Mix and match designs and finishing treatments to create unique looks Ever felt like embellishing felt? "Embellishing with

Felted Wool" features projects and ideas that are so appealing, every crafter will be feeling it Sixteen decorative wool-felt projects to make and embellish are here, in styles and colors ranging from traditional to contemporary. Buttons, beads, embroidery, and wool applique add that special touch--and remember, felted wool is extra easy to work with because the edges don't ravel. These projects are perfect take-alongs for the plane, the train, or out onto the back porch.
