The all-new Focus on Grammar 2 Interactive CD-ROM, by Samuela Eckstut and Heather Ordovery, mirrors the syllabus of the textbook Focus on Grammar 2, now available in a newly revised third edition. Clear, contextualized, and interactive, this CD-ROM program provides a communicative review of English grammar that covers all language skills through a comprehensive, motivating, and fun practice of the grammar points and skills introduced in the Focus on Grammar Student Book. Focus on Grammar Interactive is in five levels, introductory through advanced. Features *

- Abundant contextualized exercises--including grammar, reading, listening, dictation, and speaking activities--provide students with extensive and meaningful lab practice.
- *Target structures are presented in full reading and listening passages to help students discover the grammar.
- *Dictation exercises provide students with controlled listening and writing practice.
- *Speaking exercises give students the opportunity for further oral practice of the vocabulary, grammatical structures, and themes introduced in the unit.
- *Review quizzes and and reports help students monitor their own progress and work.
- *Additional exercises for remedial practice are provided for each grammar point so that students can work on improving weaker areas.
- * A new From Grammar to Writing section provides students with additional writing practice based on unit topics, through a series of controlled practice leading to authentic pieces of writing that can

be submitted for grading. * Automated feedback, such as hints and explanations, provides learner support and motivates students. * Engaging games provide fun opportunities to review key structures. * Additional support is provided by a wide range of easy-to-access resources, including grammar charts, grammar notes, glossaries, and appendices.
