A subterranean world of vast caverns, underground seas, crystalline forests. A civilisation born of darkness, in darkness, protected by shadows. A city of merchants, whose eyes have turned upward to the surface, where the lethal light of day beats down on their world. A conspiracy so vast that it will swallow them all ...A stunningly original fantasy from a multi-award winning author. With a beautiful baroque world, sharp characterisation and Chris Wooding's trademark insight into the fantasy genre, the dawning of Halflight is an event more than worth waiting for.
