Excerpted chapters from the ninth edition of White Contemporary Moral Problems made available to provide readers with a brief anthology for ethical study of war, terrorism and torture. Supported with problem cases, an illuminating introductory

essay, and study questions, this text will engage students in one of the most crucial moral debates of our time. Readings representing divergent viewpoints will challenge them to develop their own critical positions. This text is available either as a standalone reader or can be bundled with any other Wadsworth title.
