isbn: 9780763751333

The Quick Look Nursing Series helps students gain basic understanding of core concepts in an easy-to-read format. The concise presentation of information provides essential content and offers a practical alternative to lengthier texts without sacrificing critical information. The Second Edition of this text offers updated information on the terminology involving fluids and electrolytes as well as the need for acid/base balance in the body and study questions essential for the NCLEX!
