Cosmetic Surgery and the Aesthetician, one of fourteen titles in Milady's Aesthetician Series, is the most up-to-date handbook on plastic surgery for the aesthetician. Designed for daily use, this book will help the aesthetician provide clients with accurate and professional answers to the most popular questions about cosmetic surgery procedures. Detailed procedure descriptions, illustrations and before and after photographs help to educate the aesthetician about common procedures. This book

focuses on the role the aesthetician can play in the care of the cosmetic surgery patient, from skin care, to referring a client for surgery, to post-operative care.
