If you can make it in Beverly Hills, you can make it anywhere. In this book, renowned real estate broker Myra Nourmand shares the secrets of her incredible success. How did this mother of three, with no prior real estate sales experience, conquer one of the toughest markets in the world? Myra shows you how to strike it big in real estate sales. Using Myra's method, readers will discover: how to become a powerbroker and sales superstar; steps to match buyers with their dream homes how to successfully negotiate through almost every situation; Myra's secrets to making a home irresistible and a must-have for buyers; and, tips to stay motivated and love what you do everyday. "From Homemaker to Breadwinner" is part memoir and part real estate handbook. It is Myra's real estate journey from novice.
