From the vast northern plains to the majestic Rocky Mountains, Montana, Wyoming and Idaho are where you come when you want to get outdoors. In a region where the buffalo still roam and a cowboy sensibility, majestic beauty is found at every corner. Our local writers have travelled this land of big sky and big mountains to find the best hotels, restaurants, attractions and activities to prepare you for a journey of stunning variety from dude ranches to white-water rafting. Before you leave, be sure to pack your "Fodor's" guide to make sure you don't miss a thing.
