Kat Albrecht is the acknowledged expert on training dogs to find lost pets - "dog detectives." As the founder of the Missing Pet Partnership and Pet Hunters International, she has devoted years to developing proven methods to train dogs to work as cat-detection dogs and trailing dogs to search for a wide variety of companion animals. The book presents detailed, step by step, reward-based training methods as well as information on how to assess a dog's potential to be a dog detective and what you need to know as a prospective handler. Whether you desire to perform this service professionally or as a hobby, you can help people suffering from the trauma associated with a lost pet.
