Excellence is not something stumbled upon by accident. You won't achieve great things while flailing about in paperwork nor partake of true musical artistry by folly. Success requires a concrete plan of action: a big-picture plan followed by all the little details that, together, create a complex mosaic that forms a beautiful and intricate picture of choral excellence. This practical text offers a wealth of information for running a choral program. The two successful veteran teachers offer advice for dozens of solutions to issues facing the choral director. Includes a CD-ROM of bonus material, an introduction by Paul Salamunovich, and these chapters: 1. GET READY... The Calendar for the Year, The Choir Handbook. 2. GET SET...
