In todaya (TM)s fast-moving Information Age, traditional business-planning tools are rapidly becoming obsolete. Yet the competitive, ever-changing marketplace demands that executives move quickly or risk becoming relics. In Three Moves Ahead, business leader and chess expert Bob Rice offers an entertaining, practical response to this modern dilemma. He shows how the worlda (TM)s top executives use chess tactics to thrive in the face of incalculable complexities and unexpected change. Written for nonplayers, this witty, smart guide is filled with real-world examples of how to win the game of business by applying chess strategies honed from over 1,000 years of competition. With incisive prose, Rice clearly shows how to use these principles to attack competitors, defend turf, and crack new markets. He demonstrates how a a oeStrong Squarea strategy drove Adobea (TM)s rise from niche player to industry powerhouse, how Kodak is reviving its fortunes with an a oeExchange Sacrifice, a and how Google is creating holes in Microsofta (TM)s position with a a oeMinority Attack.a Most importantly, Three Moves Ahead also shows how to a oeStay Ahead On the Clocka and avoid the fate of companies like Polaroid, Gateway, and our dearly departed Ma Bell.
