isbn:9780820486284

This book brings together contemporary and exciting research within communication and Latina/o studies. Written in a clear, accessible manner and based on original research drawn from a broad range of paradigms - from textual analysis to reception studies and political economy - Latina/o Communication Studies Today provides an invaluable resource and excellent case studies for those already conducting research and teaching in Latina/o communication studies. The media studied include radio, television, cinema, magazines, and newspapers.
