Jim Horn, one of the most recorded multi-instrumentalists of our time, performed and recorded with John Denver for over 15 years. He originally recorded A Tribute to John

Denver in 1998. He has now turned that recording into this play-a-long book/CD package for flute so others can join him in celebrating the music of John Denver. 11 songs, including: Annie's Song * Calypso * Fly Away * Leaving on a Jet Plane * Sunshine on My Shoulders * Take Me Home, Country Roads * and more.
