Cambridge University Press is the only official publisher of past papers from Cambridge ESOL. These official papers provide candidates with an excellent opportunity to familiarise themselves with the updated content and format of the CAE examination, introduced in December 2008. This 'with answers' edition contains a comprehensive section of keys, transcripts, guides to each paper and an insight into marking procedures and grading, making it ideal for self-study. Some of the material for the tests in this book has been previously published in Cambridge Certificate in Advanced English 5, now updated to reflect the latest FCE exam specifications.
