A multi-professional approach to safeguarding children, which accompanies the Department of Health's new training courses. Focuses on the methods of identifying children at risk and details what happens at each stage of the social work process. Presents a fully multi-disciplinary approach as to how professional groups and services should co-operate to safeguard children. Part of the prestigious NSPCC Wiley Series in Safeguarding Children. Accompanies the training courses run by the DoH and NSPCC for professionals working with children.
