isbn:9780415396912

"Western Media Systems" offers a concise, authoritative and critical introduction to media systems in North America and Western Europe. The book offers a wide-ranging survey and an original contribution to comparative media analysis addressing the economic, social, political, regulatory and cultural aspects of Western media systems. Jonathan Hardy takes a thematic approach, guiding the reader through critical issues and debates, introducing key concepts and specialist literature. "Western Media Systems" will be essential reading for undergraduate and postgraduate students studying comparative and global media.
