'Angel Song' does for halos and wings what it did for all those forest cuties in Fairy Song - show them off in all their radiant glory! "Angel Song" features an international cast of artists who depict these heavenly messengers in loving detail. From

Renaissance classic to pin-up pretty, and every style in-between, these paintings reflect the varied natures of man's relationship with these winged wonders! The volume includes the artwork of Dave Nestler, Pelaez, Arantza, Maraschi, Sosa, and many more! Get to see why heaven is such a beautiful place, and why people are just dying to get there!
