The "Song" series of artbooks have covered the sky and the earth - it was only a matter of time before we explored the seas for some inspiration! "Mermaid Song Volume One"

contains an exquisite collection of portraits that celebrate the fabled water-breathers in all their sea-foam sexiness! Any fisherman would gladly crash his boat on the reef for a peek at these aquatic creations, as seen by artists like Arantza, Fastner & Larson, Bruce Colero, Pelaez, James Hottinger, David Dunstan, Malachi Maloney, and many more. Follow the call of these sirens - their song is the sweetest yet!
