A celebration of all wee creatures and dwellers of the darkest parts of the forest -- sprites, nymphs and fairies, with a decidedly naughty attitude! Fairysong is an

international showcase of art that captures the pure magic of unseen worlds with a sensual aura that only semi-dressed little winged females can deliver! Delightfully detailed drawings and intricate full colour paintings by illustrators like Arantza, Enrique Villagran, Pedro Cuevas, Perla Perlucky, Maraschi, Caruso, Sosa, and many others! Get ready to experience the exquisite ecstasy of erotic elves in their native dwellings!
