This chart shows general anatomy including middle and inner ear, septum of nose, lateral wall of nose, and inspiration, phonation, and posterior view of larynx. "Three dimensions let you feel texture and form. Three-dimensional images, bold titles, and clear, easy-to-read labels make it easy and fun to learn about the body. The durable, lightweight, non-toxic, recyclable plastic will last indefinitely. The chart has a hole at the top for easy wall hanging, and will also stand up on an easel."
