

# An Introduction to the New Testament Manuscripts and their Texts

[An Introduction to the New Testament Manuscripts and their Texts\\_ 下载链接1](#)

著者:D. C. Parker

出版者:Cambridge University Press

出版时间:2008-9-1

装帧:Paperback

isbn:9780521719896

This is the first major English-language introduction to the earliest manuscripts of the New Testament to appear for over 40 years. An essential handbook for scholars and students, it provides a thorough grounding in the study and editing of the New Testament text combined with an emphasis on the dramatic current developments in the field. Covering ancient sources in Greek, Syriac, Latin and Coptic, it \* describes the manuscripts and other ancient textual evidence, and the tools needed to study them \* deals with textual criticism and textual editing, describing modern approaches and techniques, with guidance on the use of editions \* introduces the witnesses and textual study of each of the main sections of the New Testament, discussing typical variants and their significance. A companion website with full-colour images provides generous amounts of illustrative material, bringing the subject alive for the reader.
