In this engaging and handy book, Gatrell and Swan provide both an insightful introduction and much-needed resource to the understanding of gender and diversity in management. "Gender and Diversity in Management" accessibly overviews the core issues of gender, race, sexuality, disability and diversity in management. In an area where there is often conflicting scholarship, this concise introduction assesses the key contemporary issues, and takes stock of the debates amongst scholars and practitioners. It will also be of great value to managers from a range of organizations, who seek a practical and up-to-date guide to contemporary thought and practice. "Gender and Diversity in Management" is designed for students on courses across a range of business and management subjects including Women in Management, Gender in Management, Equal Opportunities and Diversity, and Human Resource Management. It will also be of great value to managers from a range of organizations and sectors who wish to understand better the debates, or who seek a practical and up-to-date guide to contemporary thought and practice.
